

The DPS Highway Patrol is investigating a Sept. 22 wreck involving a bicycle and another vehicle that killed 55-year-old Bobby Wierzowiecki from Williamson County. Mr. Wierzowiecki was found deceased near his bicycle on the side of the road at FM 3405 and Young Ranch Road in northern Williamson County.

Investigators believe that the wreck occurred sometime between 8:30 p.m. and 11:50 p.m. Mr. Wierzowiecki was apparently hit by a large pick-up truck or possibly a smaller vehicle with an object protruding from its side. The wreck occurred on a very dark stretch of road, so it is possible that the person who struck the victim may not have known that he or she hit a person. Investigators need the public's assistance in locating the vehicle and driver involved in this hit-and-run.
